It the President states that both the object and the effect of the revision is not so much as to increase the salaries of the existing staff as to make it possible to transfer some of the officials who have been in the Municipality too long. It is also stated that if the revision is given effect to from 1-3-36 the entire expenditure would amount to only Rs 160 for 4 months considering the savings in the pay of the higher officers and the Municipal Council have already provided a sum of Rs 900 on this account in their budget for the current year

If it is considered desirable to adopt the scales of pay of the Revenue Department to permit transfers it may be done without involving extra cost by reducing the number of officials or the number of officials in the higher grades (60-1-80 50-2-60 and 40-2-50) etc

CHIEF SECRETARY 28 FEB 1936

M A SREENIVASAN Esq BA
PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Sir,

With reference to your letter No L 4256/Ml 109-35-2 dated 2/6-12-1935 stating that the proposal to revise the scales of pay of the clerical establishment in this office may lie over for six months, I have the honour to submit that both the object and the effect of the revision is not so much to increase the salaries of the existing staff as to make it possible to transfer some of the officials who have been in the Municipality too long, and to get some new ability and experience into the office The Government have also repeatedly stressed the need for effecting periodical transfers, and the Council have also been anxious to make these transfers possible, and accordingly made a provision of Rs 900/- in the Budget of the current year

I would point out that even if the proposed revision is sanctioned and brought to effect immediately there would be little increase in expenditure immediately or for many months to come, as most of the officials would continue to get their existing pay till they earn an increment after one year of approved service, and even if a few officials may have to be given advance increments, the extra expenditure might not go beyond a sum of about Rs 40/- per month, which is very small compared to the immense advantage gained, I may also submit that there has been recently a saving of about Rs 500 a month in the salaries of the higher officers, their pay being ~~lower~~ lower than that of the previous officers and the extra expenditure of Rs 40/- per month or Rs 160 for four months from March 1936, could easily be met out of the savings, if Government would be pleased to sanction the revision from March 1936

In these circumstances, I request that the Government may kindly reconsidèr their order in the matter and accord very early sanction to the Council's proposal to revise the scales of pay

I have the honour to be,

Sir,

Your most obedient servant,

President
